that Hawaii will enter the Postal Union on January 1st, 1882. We have urged the advantages in the shape of increased convenience which the public would enjoy from this step frequently in these columns. In our By Authority column will be found ottors will be carri This table is slightly modified from the

pointed upon a commission to investigate the labor question, we did not for a moment imagine that any one could misunderstand the gentlemen pointed out. Independent men certainly could not possibly mean any one connected with sugar plantations or with business in any shape; the only gentlemen in our mind, that were thus free seemed the three Commissiners and the Catholic and Anglican Bishops, and a small number of the other clergy. We did not think it necessary to more than allude to the fact that there had already understood our position,

WE publish in our supplement the text of a pamphlet on the subject of annexation of these Islands by the United States. in question, indeed we were first made aware of its existence, by an article in the aware of its existence, by an article in the N. F. Tribuns. The pamphlet itself is a sort of resume of the various attempts, or supposed attempts, at the annexation of these Islands by each of the three great powers during the last forty years, and a power of the supposed attempts. But the old Roman poet was all powers during the last forty years, and a in question, indeed we were first made these Islands by each of the three great powers during the last forty years, and a the justice and magnanimity of the government and people of the United States, to refrain from swallowing up this little kingdom. We do not purpose to examine this work critically just now, but merely remark that it seems odd that a pamphlet. printed in this city, on a matter of such universal interest in these Islands, is first circulated abroad and reaches us through a foreign medium. The publication is anonymous, though the title page states it to be by "A Member of the House of Nobles," the date may be gathered ered from the facts that a speech delivered here on the 4th July last is quoted, and the reception of the King in England is referred to. With this much informa-Wallukn tion as to the paternity and date of the tract, and scarcely disguised allusions in the text, the rest is not difficult to decide.

the text, the rest is not difficult to decide.

Over neighbor of the Aircrisec, with felicity of expression, calls the foreign population of this country, the "white invaders of its territory," Will our contemporary please to specify the particular regions amonest as whom it records a country to the country of the count ernment under which the very inde-pendence of the Kingdom has been obtained and held, and it cannot be that it is intended to call the missionaries of the Proposed Amendment

the year immediately preceding his election and who Our neighbor deals, we suspect, in "Pick- ing it; it causes no trouble, no hurry, no

the Royal tour around the world, the re- to overcome them. Has the climate of the the Royal tour around the world, the report of the Commissioner for Immigration will not be the least important, and it will doubtless meet with the attention it deserves. We hope it may soon be in the hands of the public, and that the candidates seeking election to the forthcoming legislature may have an opportunity of explaining to their constituents their views as to the great labor question and how to solve it. As an incidental portion of the the Bench or Police Authorities, have thought of the advisibility of making efforts to procure competent and trustworthy interpreters as a satisfactory means of communication between employer and employed, between employer and employed, between relationship of the second area in the hands of 20,000 kilogrammes of wood. So that Europe asset the immense quantity of 72,200,000 kilogrammes of most reprehensible custom, as we consider it to be, and which the electors of this employed, between employer and employed, between relationship of the second area in the hands of 20,000 kilogrammes of wood. So that Europe asset the immense quantity of 72,200,000 kilogrammes of more than 80,915 tons weight of a match at a decigramme of wood. So that Europe asset the immense quantity of 72,200,000 kilogrammes of more than 80,915 tons weight of a match at a decigramme of wood. So that Europe asset the immense quantity of 72,200,000 kilogrammes of more than 80,915 tons weight of a match at a decigramme of wood. The world is a duly absorption of 20,000 kilogrammes of more than 80,915 tons weight of a match at a decigramme of wood. The world is a duly absorption of 20,000 kilogrammes of more than 80,915 tons weight of a match at a decigramme of wood. The weight of a match at a decigramme of wood. So that Europe are the immense quantity of 72,00,000 kilogrammes of more than 80,915 tons weight of a match at a decigramme of wood. The weight of a match at a decigramme of wood is supption of 20,000 kilogrammes of more than 80,915 tons weight of a match at a decigramme of wood. The weight of a match at a decigramme of wood is supption at 20,000 kilogrammes of more than 80,915 tons weight of a match at a decigramme of wood. The weight of a match at a decigramme of wood is supption at 20,000 kilogrammes of more than 80,915 tons weight of a match at a decigram at 20,000 kilogrammes of more than 80,915 tons weight of a match at a decigram at 20,000 kilogram at 20,000 solve it. As an incidental portion of the question we should like to enquire as to whether the Board, their Commissioner, the Bench or Police Authorities, have

to conclude a treaty, and also treat in the matter of immigration. There is no treaty between Portugal and this Kingdom, and the interval.

In election eering, as in many other mat.

HER BRITANIC MAJESTY'S CONSULATE GENERAL, Brancher Store Consulate Consul

promptly in the matter, and put the whole | can be had. him in the Legislature and he should be here to meet them. His colleagues in the government must know this, and feel that his absence will cast upon them a most serious task. We understand that Mr. Carter would prefer delaying this mission until after the meeting of the Legislative body. The King and Cabinet, however, We wish the papers in the native landers to meet them. This colleagues in the government them is print, recognizing the vastness of the interests they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and the power for good or evil they are about to confide to their guidance, and they are about to confide to their guidance, and they are about to confide to their guidance, and they are about to confide to their guidance, and they are about to confide to their guidance, and they are about to confide to their guidance, and feel that the interests of the Kingdom are

were the independent men here. We had talked over the matter with several of our most prominent business men, and they

"Calum nen anzonem mucat qui trans mar Our attention was first called to the paper first jotted down from the mind of the plea to the uprightness and good feeling, the instice and marganizate of the control of the cont shaken, and we have had to come all the manding the Confederate cruiser Shemandonk, and way to the Hawaiian Islands to learn the lesson. After all, in spite of the honry San Francisco, is announced from San Francisco. lesson. After all, in spite of the hoary wisdom of nearly two thousand years, men to change their nature with their skies, of them, the tropic sky and the languid atmosphere of the torrid zone make lacking doves of tigers, lambs of wolves.

H. B. M. S. S.

How many of the planters who are new taking no effort to rebut the charges which have been brought against them, could have borne such charges calmly the charges calm the making no effort to rebut the charges which have been brought against them, would have borne such charges calmly had they lived under a different sky! Why, to a man they would have been up and doing, they would have been scheming, planning, speech making, writing and talking over what could be done. Moreover, they would be in a better position for doing this planning and talking, for they would have had some organization; persons amongst us whom it regards as nighthread bare. But we will not lay all "invaders;" does it mean all of us? The the blame of lack of organization upon the planter; the same want of unity pervades almost every class in the community—it matters not whether it be profession or trade, it is very hard work to get unanimity among the members. The Anglo Saxon in losing this clubbableness has lost one of its most valuable attri-P. C.
